

**London Borough  
of Hounslow**

# **Joint Health and Wellbeing Strategy**

**2018-2022**

**What do you think?**

**Large print version**

# Introduction

Hounslow Council wants to know what you think about the plans for improving the health and wellbeing of people in Hounslow between 2018 and 2022.

Please read through the easy read version of the plans and then let us know what you think by answering the questions in this document.

Please let us have your answers by Thursday 30th August 2018.

## Please tell us a little about you

We need to know some information about you.

Your details will not be given to any other organisation.

**Question 1:** What is your name?

**Question 2:** What is your address?

**Question 3:** If you are answering these questions for an organisation, which organisation?

# 1. Help people to be as healthy as possible

We want local council and health services to work well together so that they:

- Help people from all the different communities in Hounslow to be as healthy as possible
- Provide good value for money

We want to focus on helping people to stay healthy, so they don't need expensive health services.

We want to focus on communities of people who need the most help.

We plan to improve the way we use computers to help us check we are helping the people who need us most.

We want the council to think about the impact on people's health when they:

- Plan new roads and buildings
- Organise buses, trains, and other transport
- Allow people to sell alcohol
- Build houses

**Question 4:** Do you agree or disagree with these ways of helping people?

Agree strongly

Agree

Disagree

Strongly disagree

Don't know

If you disagree please tell us why

## 2. Provide good clear information

We need better communication between health and wellbeing services.

Local people and health staff need information that is:

- Right for the person reading the information
- Up-to-date
- Correct

We need information about:

- How people can keep themselves healthy
- Health services
  
- Other things in Hounslow that help to keep people healthy

We need to:

- Use new ways to communicate with people
- Make sure that information about services is accessible to everyone

**Question 5:** Do you agree or disagree with these ways of helping people?

Agree strongly	Agree	Disagree	Strongly disagree	Don't know

If you disagree please tell us why

### 3. Make sure all the different health services work well together

Patients often get care and support from different health services at the same time.

They often move from one health service to another.

We want to make sure that each health service works well together so that patients get the best care and support.

We want the different services to work together when they plan how to organise their services.

We want to involve service users and carers when we plan new health and wellbeing services.

**Question 6:** Do you agree or disagree with these ways of helping people?

Agree strongly

Strongly disagree

Don't know

If you disagree please tell us why

## 4. Work with health services across London

Many of the health issues in Hounslow are the same as in other areas in London.

Sometimes we can help people in Hounslow better if we work with organisations in other boroughs.

By working together with other services in London we can:

- Make the best use of the staff and money that we have
- Work for larger improvements that will affect the health and wellbeing for more people

**Question 7:** Do you agree or disagree with these ways of helping people?
